# Rabbit Teaching

April 21st, 2022

## OVERVIEW

A cultural based teaching on the story of the rabbit, that will be given during Easter. Not a celebration of Easter in itself, but it will be a fun way to engage with the community during the Holiday.

## GOALS

1. Give a fun cultural based teaching
2. Provide everyone with the means and steps to create their own little rabbit dolls.

## SPECIFICATIONS

Elder Ma-Nee will be giving a story and teaching about the Rabbit and its significance in our cultures. At the same time, Char and I will be providing the participants with a way to make small rabbit dolls using rice and cloth. The first half will be the teaching with Ma-Nee and the second half will be the craft. Char will go to Walmart and purchase materials, bring back to the office and make packages.

## DATE: April 21st, 2022 6pm - 8pm

Estimate Cost of Program:

Elder: \$250

Craft: \$200

Basket: \$400

Total: \$850

This is a rough estimate based on the assumption that we will be supplying 20 individuals with

packages for crafting their rabbits. Final price may vary depending on how many families and or youth join. We also got a brand new bike donated to the youth program we would like to raffle off at the end.
